

Pre-K and Kindergarten Lesson 5: Wildlife Part 2

Intro

- Review the life cycle of a butterfly from the previous lesson
- Talk about other animals found in the wild

Listen and Respond Small Group

- Each group will listen to a book and respond

Group 1 (below)	Group 2 (average)	Group 3 (above)
<i>Ferdinand Fox's First Summer</i> by Mary Holland	<i>In My Backyard</i> by Valarie Giogas	<i>Animal Helpers: Wildlife Rehabilitators</i> by Jennifer Keats Curtis

- Students will choose an animal from their story and write (some students will need someone to dictate their ideas) 4 features about it.
- Use the **What Am I** graphic organizer in the Materials and Resources Section
- Example: I am a bunny
 - I eat plants
 - I got through a garden gate
 - I am furry
 - I have floppy ears

Wrap up

- Students can take turns giving clues and guessing what each animal is
