

System Requirements

Tales2go Player:

Minimum browser versions: Safari 5.0, Mozilla Firefox 20.0, Google Chrome 5, or Opera 11.5

iOS App:

- Compatible with iPhone, iPod touch & iPad. iOS 8 or later.
- Internet connection needed to access content.

There are earlier versions of the Tales2go app available on the Apple app store. The store should download the highest version that is compatible with your iOS device. Earlier versions of the Tales2go will allow stories to be listened to but may not provide access to newer functionality.
